Introduction

As CEO of NuMaxim, Chris is an experienced Senior Executive and a sought-after Trusted Advisor, backed by forty-five remarkable years in information systems and organizational change:

Proven transformative cross-functional leadership:

- Champions Team building, Talent management, and Mentoring
- Addressing complex problems for both short-term performance and long-term success
- Delivers robust profitability including a solid return on investment (ROI)
- Operates from the inside out, one life at a time, for greater good.

Brings sustainable order to chaos:

- Quality Corporate and industry relationships
- Strategic insights, methodologies, and work plans
- Personal accountability, dedicated to continuous professional development.

Summary

Chris has earned recognition as a senior leader and trusted advisor of choice across multiple industries, most recently, in Government, Public Health Informatics, Insurance, and Technology. His rich entrepreneurial legacy, with its diverse roles and relationships, has engendered trust and confidence throughout his extraordinary career. His client list is as diverse as his skill set, including such notable organizations as : American Electric Power (AEP), the State of Texas Health Services, Centers for Disease Control and Prevention (CDC), State Farm Insurance, American Express, Capital Group, United Bank of Switzerland, Anthem Blue Cross and Blue Shield; United Healthcare, Primera Healthcare, L.L.C., Lutheran Medical Center, TEKsystems, CDI Corporation, Papa John's Pizza, Covance Inc., Siemens Microelectronics and Current Incorporated. Chris particularly enjoys his pro-bono work with non-profits, non-government organizations, churches, community, and faith-based organizations.

Background

Chris comes from an American conservative Christian background. Originally from Phoenix Arizona, now resides in Auburn Georgia. He and his wife, college sweethearts, have two married adult children and are proud grandparents.
